Free and Reduced Meal Applications are available to families who believe that they may qualify. Resilience asks all families to complete an application for accurate determination of student socio-economic status. Please return the completed form to the school office, or fill out the online form at <http://acpsfood.com/>. You will be notified by mail of your child's status. Until notification you must provide your child with a lunch or lunch account money.

Only complete one application per family. The information you give will be used to determine or prove your child's eligibility for free or reduced-priced meals. This information may also be used for other state or federally funded school benefits.

Factors considered in the application process are household size and total household income. HOUSEHOLD SIZE is considered all persons, related or unrelated: Including parents, children, grandparents who live in your home and share living expenses. The TOTAL HOUSEHOLD INCOME is the income each household member received last month before taxes - this includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income.

Foster Children - In certain cases, foster children are eligible for free and reduced-price meals regardless of your income. If you have foster children living with you and want to apply for them, please contact us.

Lunches can be paid for using MySchoolBucks.com, or with cash deposits with the school at lunchtime. A computer will be available in the office for families to use, if needed.
